

Wonderwall

Today is gonna be the day that they're gonna throw it back to you
And by now, you should've somehow realised what you gotta do
I don't believe that anybody feels the way I do about you now

And backbeat, the word is on the street that the fire in your heart is out
I'm sure you've heard it all before, but you never really had a doubt
I don't believe that anybody feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding

**There are many things that I would like to say to you, but I don't
know how
Because maybe
You're gonna be the one that saves me, And after all
You're my wonderwall**

Today was gonna be the day, but they'll never throw it back to you
And by now, you should've somehow realised what you're not to do
I don't believe that anybody feels the way I do about you now

And all the roads that lead you there were winding
And all the lights that light the way are blinding
There are many things that I would like to say to you, but I don't know
how

I said maybe, You're gonna be the one that saves me...
